### Message from the Editor

Dear Friend,

It is with a heavy heart that I bring you this edition of the California Casualty *Connection*.

You'll read about the care and concern we have for those affected by California's wildfires, find some crucial things you can do before a disaster occurs, learn why liability protection is so important—even during the holidays—and get a glimpse of how California Casualty's giving programs support those in need.

Our thoughts are with everyone affected, and we hope for better things in the New Year.

Mark Goldberg  
Editor
