

10

IMPORTANT THINGS TO DO

AFTER A PARKING LOT ACCIDENT

1

Call for medical help if someone is injured

2

Avoid getting into an argument and don't admit fault

3

Take pictures before moving the vehicles

4

Write down the time of the crash and diagram where and how it occurred

5

Exchange insurance and other important information

6

Seek out and get contact information from any witnesses

7

Don't negotiate with the other driver to work a deal without notifying insurance

8

If you hit an unoccupied vehicle, leave a note with contact information

9

Contact your insurance provider as soon as possible

10

Make a police report
