Message from the Editor

Dear Friend,

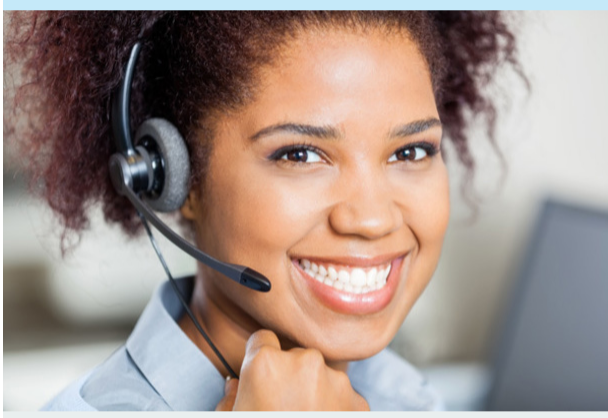

As communities reopen and families prepare for back-to-school, we send this issue of *Connection* with wishes of well-being for you and your loved ones.

In this edition, you will meet some of our employees as they share their thoughts on what it means to be part of the California Casualty family; learn six important actions to take following a natural disaster in your area; get easy tips to prepare your home for winter during the upcoming fall months; and learn of a program that invites teens to get creative and do their part to stop the epidemic of distracted driving among their peers.

Thank you for trusting us with your auto and home insurance needs.
