Dear Friend,

Thank you for choosing California Casualty as your auto and home insurance partner. We are honored to provide you and your family the protection you need for the life you lead.

In this issue of *Connection*, you will meet a duo that has made California Casualty their second family; get the 411 on your college student’s insurance needs; learn how to prepare for a power outage; and read recent stories of ways we are giving back to the communities we serve.

Thank you again for the opportunity to partner with you for your auto and home insurance.
