

# PRO TIPS TO SAVE MONEY WHEN TRAVELING

Traveling can make money disappear fast - from flights to accommodations to activities, costs can add up quickly. But the good news is, they don't have to!

- 1** Search airline deals for off-peak rates using anonymous browsers.
- 2** Sign up for credit cards that give you travel points.
- 3** Choose a destination where your money is actually worth more.
- 4** Be creative in your accommodation choice.
- 5** Go local for activities and meals and embrace the discounts.
- 6** Avoid international roaming charges.
