

VIRTUAL HOLIDAY SHOPPING SAFETY

We're shopping online now more than ever, and with Black Friday deals already starting, it's time to make sure you and your family are protected from a cyber attack this Holiday Season.

Secure Your Home Network
By using strong passwords

Only Shop Reputable Brands
The ones you know & trust

Use the Same Credit Card
It's easier to track & find fraud

Watch Your Front Porch
More orders means more porch pirates

Update Your Antivirus Software
To avoid new threats

Watch Out For Phishing
Asking for your information
